

Texas Employer Traffic Safety Program

Our Driving Concern • Making a Difference Train-the-Trainer

Four-hour employer traffic safety workshop

- Session 1: July 12, 2016 1:00 pm- 5:00pm
Session 2: July 13, 2016 8:30am- 12:30pm
- Texas Department of Transportation, Abilene District
4250 N. Clack St.
Abilene, TX 79601
- Space is limited.

The National Safety Council's Employer Safety Program Our Driving Concern is offering this free training program to teach their employees the basics of traffic safety and help prevent costly crashes. This training is geared for HR professionals, safety professionals, supervisors, and safety instructors. The ODC materials are designed with an Employer-Employee focus and are designed to deliver to your employees at staff meetings, safety meetings, tailgate talks, etc. Attend this training and you will receive your own copy of the curriculum and materials for use at your company. *There is no cost for the ODC program or any resources to purchase after this training.

Please **REGISTER** to attend at:
