

## Drug Impaired Driving Subcommittee Meeting Minutes | November 19, 2021 @ 11am

### AGENDA

1. Discuss membership changes
  - Nicole Holt has accepted the Chairperson position
  - Andrew James has left the task force
  - Carlos Champion joined the subcommittee
2. Data Discussion
  - Texas DPS – Highway Safety Operations Center attended the August meeting
    - Sent data request form for our specific data needs
  - Carlos has access to the national DRE database
    - Can be broken down by state, region, and agency level
  - Subcommittee discussed that the best data will come from DPS Toxicology Lab
    - Question: How do we get this data?
      - A grant for the DPS lab to spend overtime hours breaking down the data by region/county
      - Data needed from DPS: age, gender, county, drug type
  - Does TxDOT have drug-impaired driving data?
  - LEADRS could be a good resource but data may be limited or incomplete
  - TTI data dashboard
  - Need to make sure data can be used for public access and not just internal use
3. Discussion: Potential Projects
  - Legislative Brief – Delta 8, other forms of THC
  - Compassionate Care Act Expansion Edu Materials
  - Criminal Justice Resources
  - Other ideas?
  - Subcommittee decided that they need the data first in order to select an appropriate project
4. Identify additional subcommittee members if necessary
  - No task force members identified
  - Will continue to invite guests to meetings as needed

### ACTION ITEMS

1. TxIDTF Admin:
  - Doodle Poll to select next meeting time in January; Schedule meeting
  - Invite additional members and/or guests if needed
  - Work with TxDOT to identify potential grant opportunities/ if there is money available for drug-impaired driving data

2. Subcommittee Members:

- Subcommittee members email Christine what data resources you have access to by next meeting
